### Fit for Misssion

Married life is a process of growth, in which each spouse is God's means of helping the other to mature. Change, improvement, the flowering of the good qualities present in each person – all these are possible.

Each marriage is a kind of "salvation history", which from fragile beginnings – thanks to God's gift and a creative and generous response on our part – grows over time into something precious and enduring. *Amoris Laetitia* 221

**PARISH NEWSLETTER 27TH SUNDAY IN ORDINARY TIME, 7TH OCTOBER 2018**

**We begin the Month of October,**

Called the Month of Rosary in Catholic Tradition.

Pope Francis is asking Catholics around the world to pray the rosary every day during the month of October for protection of the Church from the devil.

The pope is "asking the faithful of the whole world to pray so that the Mother of God puts the Church under her protective mantle to preserve her from the attacks of the evil one, the great accuser, and to make [the Church] all the more conscious of the faults, the mistakes, the abuses made in the present and in the past, and more committed to fighting without any hesitation for evil not to prevail."

The Pope also suggests that we pray the most ancient Marian prayer often during the day, especially at morning and night,

*We fly to your protection, O Holy Mother of God;  
Do not despise our petitions  
in our necessities,  
but deliver us always  
from all dangers,  
O Glorious and Blessed Virgin. Amen.*

In our Marist Constitutions that we as Marist Priests and Brother live by, our Founder Father Colin directed us To implore the help of her protection, let them recite the *Hail Mary* three times and *We Fly to your protection* once on rising in the morning and retiring in the evening." We, are part of a very long tradition of Christians flying to Mary's protection.

Is this possible in our families to pray the rosary, each day?  
When we say we will, pray the rosary, good things happen and prayer returns to our families and church.

It is no accident that our Expo of the Parish is celebrated on the Feast of the Holy Rosary.

\*\*\*\*\*

Today we gather as a Parish to do a very coura-  
geous thing, come together and share what we  
are doing, asking for more people to be active in  
the life of the Parish, and the mission of the  
Church.

I want to congratulate the Divine Mercy group  
who courageously went down to the Manurewa  
Market day and put up a tent and engaged with  
people and listened to their stories and assured  
the people that they will be prayed for. Well  
done.

Our Parish is to be like an Army Field Hospital,  
as Pope Francis asks the Church to be, a place  
where we work in difficult conditions. We are not  
comfortable nor are we scrupulously worried  
about our own health, or our own cleanliness.  
What we are concerned about is that there is a  
great need for the injured and those who need  
critical care, to be able to come and receive the  
healing and the power of Christ. It is just ano-  
ther image of the Church in Mission.

Thanks to those who have got back to me  
around the app for the Parish. We are still look-  
ing at the project, and need some people who  
would be willing to manage it from the parish  
point of view. Here is an opening for the clever  
young people who would do this thing blindfold-  
ed. Any volunteers?  
*Fr Brian*

**Father John Crispin sm,** will have surgery  
on Monday this week. Father John is sta-  
tioned in Nadi, Fiji and is here for medical  
care. He will be in hospital for a week and will  
recuperate at our home for the next few  
months. Please keep him in your prayers.

**Finance Meeting** went well, with work done  
on Expo presentation, and some very inter-  
esting details, around participating in the life  
of the parish, and the needs of running a  
parish. Looking at phone system in the Parish  
Office, Fibre connection, and share the re-  
sults of the survey on property. It is important  
to note that we have a major task in front of  
us, concerning the maintenance of this Par-  
ish. This must not deter us from the work of  
our parish which is the salvation of people  
and the meeting of Christ Jesus. All things fall  
into place when we have our eyes fixed on  
the Lord Jesus. Unless the Lord builds the  
house, the house fails.
