TRICKY AND FAKE EMAILS

Scammers are becoming increasingly clever - do not be fooled!

The emails are tricky as they look to be from Fr Peter but they are most definitely are not!

If you receive an email from Fr Peter asking for a favour, you can be sure it is not a legitimate email - particularly if any of the favours are about money or vouchers.

Fr Peter, along with the any of the clergy and admin team, will never ever send you an email asking for money.

If you get an email asking for money, mark it as spam and delete it immediately.

Favours involving money will always be false!
